

PTCG UPDATES

❖ Fundraising: Some information to clarify for everyone:

- Prizes: In order to “trade up” to the Magic Thumbs, students must sell 9 items or more. This is the “C” level. If a student wishes to “trade up”, they will be trading the levels A, B and C prizes for the Magic Thumbs. Please put a note in with the returned order form if your child wishes to trade up.
- Online Ordering: for those folks who do not live in our area, there is the option of placing an order online for Little Caesar’s Pizza Kits. They will receive home delivery; however there is a home delivery charge. If anyone would like to place an online order our fundraiser number is **234468**.
- Order forms: are due on Tuesday, November 1st.
 - ◆ Please be sure each order form has your child’s name and phone number.
 - ◆ Teacher’s name.
 - ◆ Please be sure each check is made out to: **Sutton PTG**.
 - ◆ Each check should have your child’s name on the memo line.
 - ◆ Please ensure that the total payment due matches the total number of items ordered (columns should add up both across and down).
- Delivery: will be on Tuesday, November 15th. Parents are asked to pick up their student’s orders beginning at 2:45. Please arrange to deliver your orders quickly as these kits should be refrigerated.

❖ Winter Sports Program: we are trying to finalize our program.

- Dates: We are planning for our Winter Sports Program to run on the following Friday afternoons: January 13th, 20th, & 27th and February 3rd, 10th & 17th.
- Activities: We are planning for 3 groups this winter. 1. Skiing/Snowboarding at Burke Mountain. 2. Swimming at Lyndon State College. 3. Various outdoor activities at school (snowshoeing, sledding, fort building, snowman making).
- We need: Parent chaperones/organizers for the activities at school and the pool at LSC. (We usually have plenty of parents helping at the mountain) Staff chaperones will also attend, however this changes from week to week, so we need at least one reliable parent at each location to oversee the running/planning of those locations. Mrs. McClure will continue to be this person at Burke Mountain.
- Please call: Mrs. McClure at 467-1062 if you are available to chaperone at either of these locations on any or all of those dates.
- Please help: our Winter Sports Program is a parent run program. Unfortunately, if we do not have enough parent involvement, we may not be able to have a Winter Sports Program. We hope we are giving parents enough advance notice to be able to join in the fun!
